No. R. 9172—*L. R.* 353-05-2, *dated 5th January* 1906.

In supersession of Notification No. R. 4318, dated the 30th June 1904, published in page 548 of the *Mysore Gazette* dated the 21st July 1904, the following revised rules regarding the scheme sanctioned by the Government of His Highness the Maharaja of Mysore for improving the Shekdari service are published for general information :—

1. From the 1st of July 1904, the pay of the shekdars shall be Rs. 35 for the first class, Rs. 30 for the second and Rs. 25 for the third.

2. The number of the shekdars shall be 374, and their number in each class shall not exceed the following proportion :—

Twenty per cent of the total number in the first class, *i.e.*, 75 at Rs. 35 each.

Thirty per cent of the total number in the second class, *i.e.*, 112 at Rs. 30 each.

Fifty per cent of the total number in the 3rd class, *i.e.*, 187 at Rs. 25 each.

3. The shekdars will draw a horse allowance of Rs. 10 each per month, and the malnad allowance, wherever allowed, will continue as heretofore.

4. Every shekdar shall keep a decent riding pony, and spend at least twenty days in every month on tour in his hobli.

5. The qualifications for admission into this service shall be :—

(1) That the applicant has passed a University Examination not lower than the Matriculation, and that in the case of men not already in service, they are not above the age of twenty-five years;

(2) That the candidate is pronounced physically fit by a Medical Officer not inferior in rank to a District Medical Officer.

6. Candidates for shekdari shall ordinarily have—

(*a*) passed the Local Service Revenue Examination,

(*b*) obtained a certificate from the Deputy Commissioner that he has satisfied himself, by personally examining or with the aid of others, that the candidate is able to read and write Kannada,

(*c*) undergone one year's course in the Government Engineering School at Mysore in the class for Sub-Surveyors, Maistris, Tank and Work Inspectors and qualified themselves in the following subjects :—

(1) Building, Drawing and Estimating (Elementary).

(2) Building Materials and Construction (do).

(3) Hydraulic and Irrigation Works (do).

(4) Earthwork and Road-making (do).

(*d*) obtained a certificate from the Commandant of the Imperial or the Local Service Regiment at Bangalore or Mysore, that they are able to ride at least six miles an hour or fifteen miles in four hours, cross country, without unduly distressing themselves or their animals, or satisfied the Deputy Commissioner concerned that they have attained the above standard of proficiency in riding.

7. Candidates qualifying as above shall become eligible for the post of shekdar, the first appointment being ordinarily made on the occurrence of a vacancy.

In exceptional cases, however, Government reserve to themselves the power of directing that a candidate after appointment but prior to confirmation, be allowed to obtain either of the qualifications mentioned in clause (*c*) or clause (*d*) or both, of Rule 6.

8. As it is necessary that a person so appointed should be trained in practical surveying before he is confirmed and actually put upon the duties of shekdar, the following course of instruction is prescribed :—

(1) He will be attached to a Measuring Establishment for one Field Season, eight months or less in special cases, for receiving practical instruction.

(2) As a test to his qualification, he should obtain a certificate from the Officer in charge of the Measuring Establishment to which he is attached, that he is competent to execute ordinary chain and cross-staff measurement and knows the Measuring Rules.

(3) In very exceptional cases, where the candidate deserves it, the Officer may grant a certificate after a training of not less than four months.

(4) When the number of shekdars to be trained is too large to admit of their being attached to Measuring Establishments, some of them may be attached to District Surveyors, who may also grant certificates in the same manner as officers in charge of Measuring Establishments and such certificates may be accepted.

9. In the case of candidates who are already in the service of Government, or who have been nominated as fit for the post of shekdar under these rules by the Deputy Commissioners of Districts or the Revenue Commissioner, and to whom it has been considered expedient to allow the benefit of the proviso to Rule 7, an allowance of one-half of the pay of such shekdars shall be granted during the period of their stay, not exceeding one term, in the Engineering School at Mysore to qualify themselves, as required in clause (*c*) of Rule 6, and they shall be admitted to the Engineering School as free scholars. A similar allowance shall also be given to candidates attached to Measuring Establishments of the Mysore Revenue Survey, as required by Rule 8, while so attached.

The concessions allowed by this rule shall be in operation only for such period as Government may from time to time direct.

10. Promotions from the third class to the second class, and from the second to the first shall be regulated in the following manner :—

(1) Till the maximum number of vacancies is filled up in each class, two years' efficient service in a class of a shekdar qualified as above will entitle him to promotion to the next higher class ;

(2) when the full number of shekdars in the first and second classes is appointed, promotion will be regulated by vacancies occurring from time to time, and will depend upon the comparative merits, qualifications and services of men in the lower classes.

11. No shekdar that does not qualify himself as herein laid down shall be entitled to the pay of any of the new classes, but shall get only the pay to which he is entitled under the old rules.

12. The following duties can be performed by shekdars :—
